

# Senior Accountant, Netherlands & Belgium

Ref. SenAccountant\_NL\_BE\_2404

Location: Beverwijk, Netherlands or Vilvoorde, Belgium

## Overview

Carlo Gavazzi is a known global leader specializing in the design, manufacturing, and marketing of products and networking solutions for the Industrial Automation and Building Automation industries.

The **Senior Accountant** we are looking for will be responsible for analyzing monthly results for our legal entities in Belgium and Netherland and provide monthly reporting to the Group Controller based in Switzerland and supporting in all elements of statutory accounting, including statutory accounts, VAT returns, month end closing, payroll, fixed asset accounting, operating expenses and legal entity recharges for a number of the legal entities of Carlo Gavazzi Group.

Reporting directly to both National Sales Manager, Belgium and Netherland, the **Senior Accountant** will drive continuous improvement in the current processes, with the aim of improving quality and timeliness of reporting. This role is for an ambitious and enthusiastic accountant with a flair for numbers and attention to detail.

## What does this mean?

- Responsible for overseeing the finance activities of the legal entities to ensure accurate accounting practices are maintained.
- Managing month-end closing processes, which have significant impacts on the preparation of group consolidation. Key financial information is provided to the National Sales Manager in Belgium and the Netherlands to facilitate decision-making.
- Leading the preparation of statutory accounts, VAT returns, and taxes to ensure compliance with regulatory requirements.
- Conducting month-end closing activities for legal entities in Belgium and the Netherlands and ensuring timely and accurate loading of financial data into the IFS system.
- Preparing Tax Pack information required for the preparation of tax returns, ensuring all necessary documentation and data are accurately compiled and submitted.
- Handling the monthly payroll processing for employees in Belgium and the Netherlands, ensuring accurate and timely disbursement of salaries and benefits.
- Conducting regular balance sheet reconciliations to ensure accuracy and completeness of financial records.
- Maintaining the fixed asset register, including recording acquisitions, disposals, and depreciation, to ensure accurate reporting and compliance with accounting standards.
- Ensuring compliance, including implementing and monitoring internal controls to safeguard financial data and prevent fraud.

## Requirements

Sounds great! Am I the **Senior Accountant** you are looking for? Let's see:

- Proven 5/7 years work experience as a Financial Accountant or similar role, preferably in the electronics and components industry.
- Qualified accountant (CIMA, ACCA or equivalent).
- Knowledge of local statutory accounting rules Proficiency in MS Office, with advanced skills in Excel, and experience working with ERP systems (IFS Knowledge preferred).
- Good communication skills are important to obtain support from other areas.
- Methodological approach required.
- Good working papers maintenance essential to provide audit trail.
- Ability to streamline functions and passion to learn and grow.
- High level of comfort with a fast-paced environment.
- Strong interpersonal skills, including written and oral communication skills.
- Ability to work independently, and as part of a team.
- Exceptional analytical and problem-solving skills to interpret complex data and provide actionable insights.
- Ability to thrive in a fast-paced environment, handle pressure, and adapt to changing priorities.
- Excellent communication skills to collaborate effectively with cross-functional teams and stakeholders.
- Fluent in Dutch, both written and verbal. Intermediate in English and French.

## Benefits

Why should you apply?

- You will be joining a team of enthusiastic and passionate colleagues.
- You will be working on the design and development of truly unique products, end-to-end. Yes, you can be an inventor! There is nothing more thrilling than seeing your work out there on the market.
- Carlo Gavazzi is a fast-growing company, so you can grow with us and grow in your area of expertise or interest.
- Experience our global diversity and enterprising spirit while helping us create innovative technologies and a positive impact that helps our customer to grow.
- You will get an attractive salary package with a lot of extra benefits.

And yes, Carlo Gavazzi is an award-winning company! We want to excel in what we do, it's no walk in the park but our hard work pays off.
